Inspector General of Education in Mysore

To
C S Balasundaram Iyer, Esq , B A ,
Secretary to the Government of His Highness
the Maharaja of Mysore in the Departments of
Education, Agricultural, and Industries & Commerce

SIR

I have the honour to inform you that in accordance with Government Order No 8834-40/Edn 462-09-24 dated 1st May 1913, only students belonging to the Mysore State are at present admitted to the Mechanical Engineering School, Bangalore. The Superintendent of the School has been receiving applications for admission to the several branches of the institution, from students outside the State. The matter was placed before the Managing Committee of the school at a meeting held on the 10th December 1913 and it was resolved that a limited number of students from outside the state may be admitted to the school every year, with the approval of Government. It was also resolved at the same meeting that the course of training in Branch 111 (Electrical work including operating) ~~be~~ be extended from 2½ years to 3½ years as in the case of Branches 1, 11 & V.

9

In these circumstances, I beg to recommend that Government may be pleased to accord permission for the admission of five outside students in each sect: 1 is or may be opened From each student a monthly fee of Rs 3 may also be levied and Rs 20 annually for workshop practice The course of training in Branch III may also be extended from $2\frac{1}{2}$ to $3\frac{1}{2}$ years, as proposed by the committee

A Copy of the Managing Committee's Proceedings is sent herewith for reference

I have the honour to be,

Sir,

	3	V Rangaswami Iyengar, Esq ,	
	4	K Srinivasa Iyengar, Esq ,	
	5	S V Setti, Esq ,	(Secretary)
<u>Absent</u>	1	M G Rangiah, Esq ,	
	2	Ramachandra Rau, Scindia, Esq ,	

11 Minutes of the previous meeting read and confirmed

111 The undermentioned itmes were suitably discussed and finally adopted

1 Syllabus drawn up by the Sub-Committee was with certain modification adopted

N B The syllabus need not be stricly adhered to, but it will serve as a guidance to the Superintendent and as he gains experience he has to suggest modifications such as are necessary. However the trial may extend over a period of one or two years

2 Students who have already obtained sufficient preliminary education as per syllabus need not attend class lessons in those subjects, but utilise those periods for work-shop practice

3 Such of the students who have aptitude for work in various sections but are rather slow may be kept back a little longer, but the total period of detention in all the sections should not exceed one year, so that they may be able to sit for the final examination at least at the end of 4th year

4 No scholarship will be given to any student during the 4th year, who has been so detained

5 The period of training in the school work-shops will extend over two years

47

The Inspector General of Education will on behalf of the Committee request the Government to sanction

17

- (a) The admission of a limited number of students from outside
- (b) Extension of the period of training in Branch III to 3½ years as in the case of Branches I, II & V
